The Call for Fellow Workers

Ms. Joy McDowell
Principal

The Apostle Paul had an extensive ministry of spreading the gospel throughout the Middle East verified in many New Testament books. In each of his epistles, he notes those who came and worked with him in accomplishing God's work. Paul refers to those who helped as fellow workers, fellow soldiers, yoke fellows, partners, representatives of the church, and an honor to Christ. (Romans 16:3, 9, 21; 2 Cor. 1:24, 8:23; Phil. 2:25, 4:3; Col. 4:11; 1 Thes. 3:2 and Philemon 1:1, 1:24. 1 Corinthians 1:9 and 3 John 1:8 say we are **God's fellow workers, God's field, God's building working together for the Truth**. Clearly, each of us is commanded to serve as fellow workers in God's work. MCA is such a work. I hope you see opportunities to be a fellow worker in spreading the Truth of God to the young people who come through MCA.

Teachers love to learn and provide opportunities for their students to succeed in the skills and academics taught. However this is only part of what teachers in Christian education provide. Their students will see the passion they have for their Savior, loving Him, serving Him, and daily humbling themselves before Him.

As a fellow worker, you too can minister to the students in the same way. Your expertise, knowledge base and skill base can be utilized in the instruction of the students while they see you partner with MBC in making this ministry a success. **We are God's workers, His field, His building for the purpose of proclaiming the TRUTH of Jesus**. Pray for God to impress on your heart the ways in which He wants you to join as a fellow worker – thus strengthening the cord so that it will not be easily broken. (Eccl. 4:12)

Prayerfully consider how you can become a "Fellow Worker" in God's work at MCA. Here are a few possibilities: P.E. Teacher, Music Teacher, Computer Teacher, Art Teacher, Office coverage, School Nurse, School Store, Cafeteria Helper, Substitute Teacher, and Classroom Assistant.

Can you imagine anything greater than pouring yourself into the lives of the younger ones so they can see God in you, love and serve Him because of your sacrifice in their education? Additional information about the task will be posted. I look forward to seeing how you want to serve.
